For a moment..I thought
that you were his son
Well..nevermind
Pjew

— Do you really
think I am THAT
easy to fool ?!

Habaek !
How dare you !
That mere human stood against us !
For now, I will vent my anger on you !

How am I supposed to get there?
Do you know his location ?
Yes. I was told

Why don't you use your magic ? It should be very easy for you.
Mind your own business.

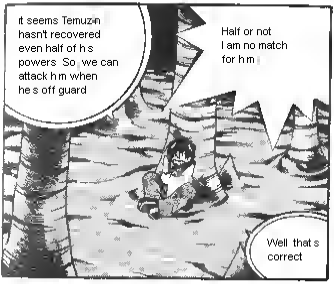
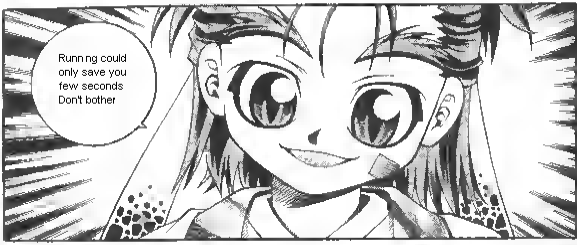
Are you crazy? You want me to fight that thing?
You fight! I will be your sword!



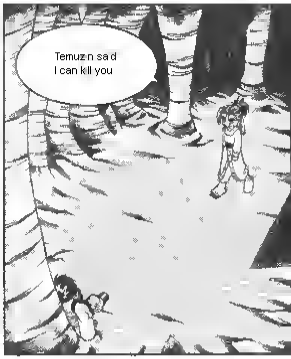
It seems Temuzin hasn't recovered even half of his powers So we can attack him when he's off guard
Half or not I am no match for him!
Well that's correct
I will cast magic for you
You just shout names of spells you know I will do the rest

Hmmph you are gonna drain my mana to death aren't you
Grrr... Fine! Just wait and die
I don't want to die
I feel sad that I've come across a human like you

Yes... if I just wait Hemosu will come
If I just wait



Running could only save you few seconds Don't bother



Temuzin said I can kill you

AHO~
And he still runs...

퍽!

Argh ...
Was that too hard? Don't d e just yet
!!

Blood

Hemosu
Where arr you?
Why aren't you

When I killed my own mother, it wasn't very fun. This one will be, it seems.
De ?
Die ...?
